EDUCATION

	Bengaluru
B.TECH - Computer Science and Engineering, <i>Presidency University</i> CGPA 6.42/10	08/2018 – 07/2022
Class 12, Narayana PU College Percentage in Board 65%	08/2016 – 07/2018
Class 10, Bhoruka English School Percentage in Board 81.92%	08/2009 – 07/2016

SKILLS

Coursework

Computer Networks and Programming, Database Management System, Data Structures and Algorithms, Object Oriented Programming, Operating Systems

Databases

MySQL

Familiar

C/C++, CSS, Python

Programming Languages

Java, SQL, HTML

Tools and Frameworks

Eclipse, VS code, Hibernate framework(Spring), .NET framework, GIT and GITHUB

Soft Skills

Active Listening, Adaptive Learning, Analytical Skills, Challenge Driven, Communication, Critical Thinking, Leadership, Multitasking, Structured Problem Solving

PROJECTS

Classification of Cervical-Cancer based on Deep Learning Network using Colposcopy images

- Developed a simple CNN model to classify a colposcopy image as cancerous or non-cancerous. The model was also able to categorize the type of Cervical Cancer.
- A GUI application was developed using C# and .NET framework that could store the details of the patients and the test details in a database.

IoT based Password Door Lock System

- Built an Arduino Password Door Lock which can be mounted to any of the existing doors to secure them with a digital password.

COURSES

Operating Systems and You: Becoming a Power User,

Google (Coursera)

Java course, JSpiders - Java Training Institute

Bengaluru

INTERESTS

Reading, Singing, Travelling, Team sports, Yoga

LANGUAGES

Kannada, English, Hindi
